It is not only the big things but also the little ones that count, no master how well you are dressed. For this reason we are always very cautious in our

DEPARTMENT OF MEN'S FURNISHINGS.

Regardless of the fact that this department reaches smaller sales than any other branch of our business, we treat it with equal respect to any other department in the store. The result is that many men have formed a habit of coming here for Furnishings because there is hardly a day we do not introduce something new. We have just received a new line of 50c Neckwear in rich plaid effects. Also a handsome line of extra quality Shirts at 50c, \$1.00 and \$1.50.

TOBACCOS AT COST

and way below cost. A few well-known makes are "having their run" and nothing else goes. In other words, many brands that were "all the go" a few years since are now "out of the race," yet are as good in quality as the popular makes. We have many of the present leading brands of Cut Plug, also Plug, either smoking or chewing, which we will sell at cost. Our best trades are, however, on Tobaccos which were popular a few years since—those a little out of style—which we will sell far below wholesale cost. We enumerate many such, as follows: Todd, Lorillard's, Mahogany 5, Every Day Smoke, Something Good, Yarrowbrough, Cable Roll, Farmer's Solace, Thrasher, Biggest and Best, West, Stone & Co.'s Smoke, Honey Chunks, Independent Navy, Heavy Hitter, Lucky Strike, Old Kentucky, Nabob, Tomahawk, Mayo's Double Thick, four ounces, Old Traveler, New Smoke, Big W, Rising Sun, Monogram, Golden Seal and Planter. Buy these out of style brands and save bunches of money. Try it and then buy a box way below cost. Come quick, before best trades are closed.
